

THINK SAFETY

The DLIR's Hawai'i Occupational Safety & Health Division (HIOSH) provides **FREE ON-SITE CONSULTATION & TRAINING SERVICES**. Our on-site consultants will:

- Help you recognize hazards in your workplace
- Suggest general approaches or options for solving a safety or health problem
- Identify kinds of help available if you need further assistance
- Provide you a written report summarizing findings
- Assist you to develop or maintain an effective safety & health program
- Provide training & education for you & your employees

Our on-site consultants will not:

- Issue citations or propose penalties for violations of HIOSH standards.
- Report possible violations to HIOSH enforcement staff.

For **FREE** consultation, call the HIOSH Consultation & Training Branch at (808) 586-9135 or visit www.hawaii.gov/labor/hiosh
